

Installation Guide: Plastic Bollard Cover (Round or Square Cover)

Components:

- Bollard covers from SafestParkingProducts.com

What You Need

- 2 foam strips (all installation materials are included with the product)

<p>1. Center the two foam strips (included) over the existing bollard.</p>	
<p>2. Slide the plastic cover over the bollard</p>	
<p>3. It's simple, secure, and looks great!</p>
